

# PARENTAL APPROVAL OF CURFEW EXTENSION

Advanced Academy of Georgia ■ University of West Georgia

Academy policy permits a parent or legal guardian to request a curfew extension for his/her student. **THIS REQUEST MUST BE RECEIVED TWENTY-FOUR HOURS IN ADVANCE.** This request is to be brought to the Academy Residential Coordinator or faxed to the RA Office, (678) 839-3945.

**Please note that an Academy staff member stays up each time a student has a curfew extension to ensure that student arrives at Gunn Hall safely and within the time frame requested on the Curfew Extension form. For this reason we reserve the right to limit both the number of times a student is granted an extension and the hour for which an extension may be granted.**
